Dear Sir/Madam,

Good day.

I am writing to express my intent to apply for an On-the-Job Training (OJT) position in your company as part of the academic requirements for my Bachelor of Science in Computer Science at North Eastern Mindanao State University - Cantilan Campus.

I am eager to gain practical experience and further develop my knowledge in programming, system development, and other IT-related tasks. I am highly motivated, willing to learn, and capable of working both independently and as part of a team. I believe that your company will provide me with valuable exposure to a professional working environment.

I have attached my resume for your review. I would be grateful for the opportunity to be part of your company as a trainee and to contribute my skills while learning from your company.

Thank you for your time and consideration. I am looking forward to your positive response.

Respectfully yours,

Charmie Joy D. Dela Cruz
